www.jaihindcollege.com

Jai Hind College, established in 1948 by a group of visionary teachers from Karachi, is a distinguished multi-faculty institution managed by the Sind Educationists' Association and affiliated to the University of Mumbai as an Empowered Autonomous College under UGC regulations. Recognized as one of Mumbai's premier higher education institutions, it offers a broad spectrum of Aided and Self-Financed programmes designed to meet contemporary academic and industry requirements while maintaining rigorous academic standards.

Jai Hind College is a proud recipient of the Pride of Maharashtra Award, underscoring its legacy of excellence, innovation, and transformative education. Through innovative teaching practices, skill-enhancement certificate courses, research-driven initiatives and sustained support for continuous faculty upgradation, the institution strives to offer a holistic educational experience that equips learners to thrive in an evolving global environment and contribute responsibly to nation-building.

The Department of Management Studies

The BBA - TCS program fuses business fundamentals with industry exposure, preparing students for careers in BPM, analytics and corporate management through specialized electives and internships. The B.Com. in Digital Strategy uniquely bridges commerce with digital transformation, training students in AI tools, analytics and e-commerce strategy for roles in digital marketing, consulting and business innovation.

The Department of Management Studies approved by AICTE and DTE, stands at the forefront of innovative, industry-integrated business education. With academic autonomy and a strong legacy of excellence, the department offers dynamic undergraduate programs Bachelor of Management Studies (BMS), Bachelor of Business Administration (BBA) (in collaboration with TCS), Bachelor of Commerce in Digital Strategy, and Bachelor of Commerce (International Accounting) integrated with ACCA- each designed to blend rigorous academics with real-world application and global relevance.

The B.Com. (International Accounting) with ACCA equips students with international finance expertise, granting up to 9 ACCA paper exemptions and proficiency in tools like Power BI, Python and Advanced Excel. The Bachelor in Digital Strategy is designed for students who want to lead in a technology driven business landscape. The program blends management fundamentals with emerging areas such as digital transformation, analytics, platform strategy, and innovation. Through industry aligned coursework, live projects, and practical exposure, students learn how organizations compete and grow in a digitally connected economy.

About the Conference:

The International Research Conference titled “Industry 5.0: Governance, Technology and Sustainability” is a hybrid academic platform hosted by the Department of Management Studies at Jai Hind College, Mumbai. It aims to bring together global scholars, industry leaders, policymakers and students to examine human centric technological progress and develop strategies that address emerging economic, social and environmental challenges.

What will be the focus?

- •
- • The conference centers on leveraging AI and digital intelligence for equitable access, advancing inclusive innovation, and embedding sustainability into business and governance frameworks. It also addresses ethical AI deployment, circular economy transitions, and resilient organizational strategies in the face of geopolitical and climate uncertainties.

Objectives of the Conference:

The Annual International Conference on Industry 5.0: Governance, Technology & Sustainability aims to:

- Foster interdisciplinary dialogue on digital intelligence for inclusive growth and sustainability.
- Disseminate research on resilient business models amid technological disruption.
- Encourage academia industry collaboration to convert innovation into practical solutions.
- Equip early career researchers and students with insights into ethical AI, green technologies and future ready strategies.

Theme of the Conference

Industry 5.0: Governance, Technology and Sustainability. The theme highlights the convergence of human centric technology, ethical business practices, entrepreneurial ecosystems and sustainable leadership to build adaptable, future proof organizations.

Sub-Themes:

Artificial Intelligence and Digital Transformation

- Role of AI and data analytics in management decisions.
- Digital business models and Industry 5.0 applications.
- Ethical and responsible use of AI in organizations.
- AI for improving productivity and customer experience.

Sustainability and Responsible Management

- Corporate sustainability and green business practices.
- ESG reporting and integrated governance.
- Circular economy and waste reduction strategies.
- Sustainable supply chains and ethical operations.

Entrepreneurship and Innovation

- Start-up ecosystems and innovation-driven growth.
- Social and green entrepreneurship models.
- Women and youth-led enterprises in the digital era.
- Public policies supporting new-age entrepreneurs.

Finance and FinTech

- Digital payments, blockchain and FinTech innovations.
- Sustainable finance and ESG investing.
- Financial inclusion through technology.
- AI applications in finance and risk assessment.

Education and Skill Development

- New teaching methods for entrepreneurship and AI.
- Preparing students for sustainable careers.
- Industry-academia collaboration for innovation.
- Lifelong learning in the digital age.

Leadership and Human Values in Industry 5.0

- Human-machine collaboration and future skills.
- Leadership styles for digital transformation.
- Building resilient and inclusive workplaces.
- Ethics, empathy and social responsibility in leadership.

Note:

The Topics are not limited to the above sub-themes.

Any other topic relating to the main theme of the Conference is welcome.

RESEARCH PAPER

SUBMISSION GUIDELINES

Required Information

- Paper Title
- Author & Co-Author Names
- Affiliation & Institution
- Contact Number & Email IDs

Extended Abstract / Full Paper

- Extended Abstract Word Limit : Max 800 words
- Full Paper Word Limit : 3500 words
- 4 to 5 keywords

Formatting

- A4 Size Paper
- 1" Margins on All Sides
- APA Citation Style

Plagiarism Check

- Less than 10% Allowed

Submission

- Submit in MS Word
- Email Your Paper

Note

Rigorous double blind peer review ensures that all submissions are evaluated impartially, with both authors and reviewers remaining anonymous to uphold the highest standards of academic integrity.

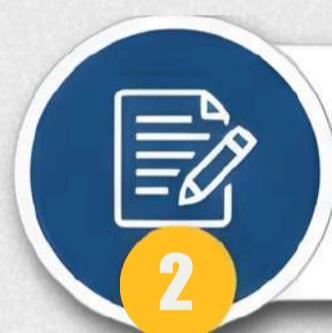

Authors are expected to uphold the highest standards of academic integrity. Plagiarism in any form is unacceptable, and all submissions must maintain similarity levels below 10 percent. Papers exceeding this threshold will not be considered for review.

Submission & Process Review

Registration

Authors register for the conference

Extended Abstract / Full Paper Submission

Participants are requested to retain a screenshot or receipt of the successful transaction and email it to jhc.conference2026@jaihindcollege.edu.in to facilitate confirmation of registration.

Gala Dinner at The Bombay Presidency Radio Club

Delegates are invited to an elegant waterfront evening at one of South Mumbai's most distinguished private clubs

The Bombay Presidency Radio Club featuring curated dining, warm hospitality, and meaningful conversations among global scholars and industry leaders.

Optional Private Yacht Experience

A limited, separately bookable yacht experience offers delegates a stunning view of Mumbai's illuminated coastline from the Arabian Sea - an exclusive and memorable close to the day. This curated experience offers a sophisticated setting for relaxed networking, celebration, or unwinding against the city's illuminated skyline.

Explore Mumbai

“Mumbai is not a city you visit. It is a city you experience”

Gateway of India , Colaba

An enduring symbol of Mumbai, the Gateway of India stands gracefully along the Arabian Sea, blending historic grandeur with vibrant city life.

Bandra Worli Sea Link

A striking feat of modern engineering, the Bandra Worli Sea Link stretches across the Arabian Sea, offering sweeping views of Mumbai's skyline.

Flora Fountain, Fort

Nestled in the historic Fort precinct, Flora Fountain is a finely sculpted heritage monument surrounded by colonial era architecture. The area reflects Mumbai's commercial legacy while retaining an old world charm.

Explore Mumbai

“Mumbai is not a city you visit. It is a city you experience”

Chhatrapati Shivaji Maharaj Terminus

A UNESCO listed architectural masterpiece, CSMT blends Victorian grandeur with the pulse of Mumbai's daily life.

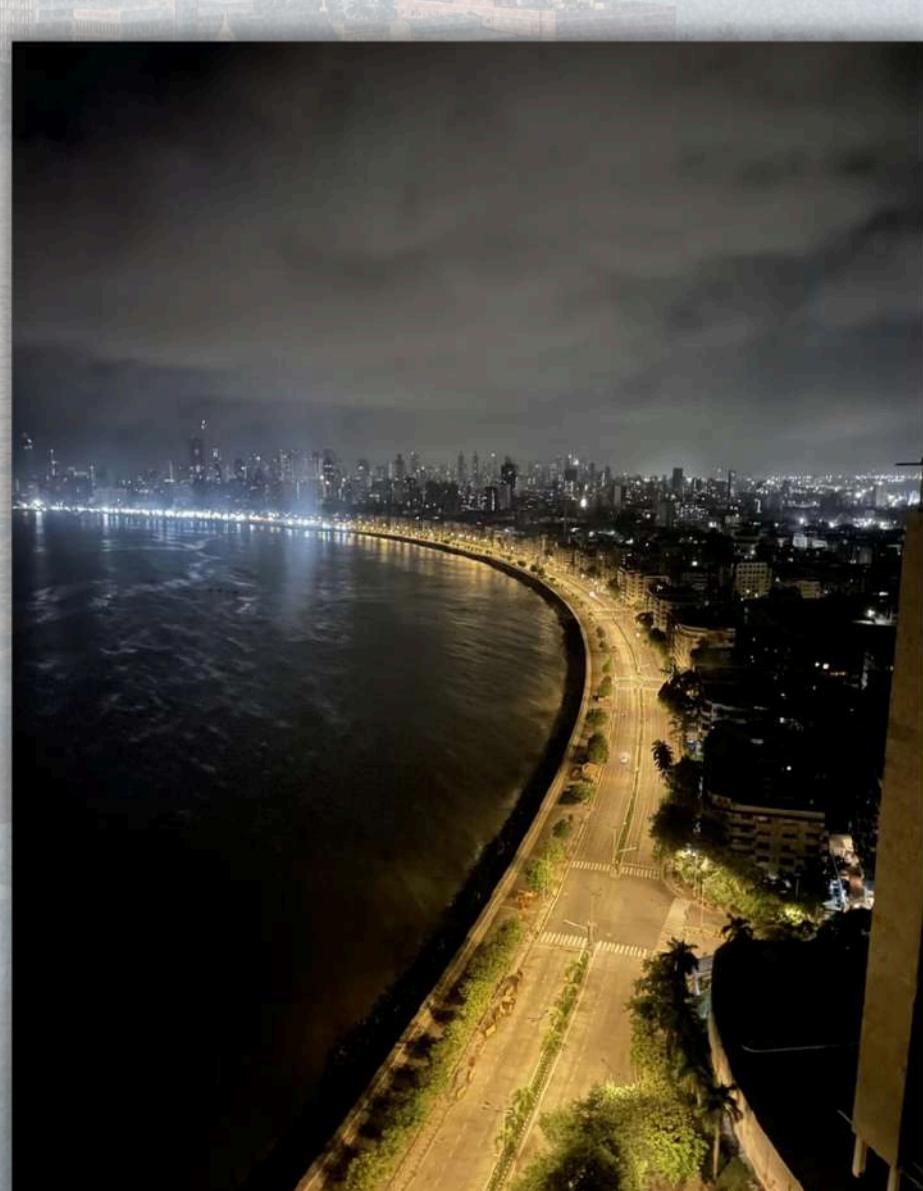

Elephanta caves

Carved from a lone island hill, the Elephanta Caves are a 1,300-year-old rock-cut wonder where colossal gods, pillars, and sanctuaries were sculpted from solid stone so precisely it feels like the mountain itself became a temple.

Marine Drive

Curving gracefully along the coastline, Marine Drive is famed for its sweeping sea views and the glittering “Queen’s Necklace” after dusk. It is the city’s favourite promenade. Perfect for an unhurried walk as Mumbai transitions from day to night.
